**Subject:** Gas Safety Plans

Darryl,  
See attached. Both found with a simple search on the CPUC web site.  
For CPUC Gas Safety Plan, see pps 22 and 28  
For 2013 SoCalGas Gas Safety Plan, see epages 102, 116, 124. Also can search on storage. But, some "storage" refers to underground storage tanks and possibly storage in pipelines.

Margaret
