[EXTERNAL EMAIL]

Jack:

Attached, please find an updated copy of Margaret's CV in response to the questions from the deposition, as well as documentation of Ms. Felts's license that was requested, shown below.

You can use the License #757976 to look up the same information under "Check a License" under the Contractor's State License Board website. If you search for Margaret's name, the old contract license for Invictus Corp will come up.

Sincerely,

Darryl

1979 at Amoco, managed the startup and operation of a Activated Sludge waste water treatment plant. Designed and oversaw construction and operation of an oil-water-coke emulsion treatment system.

## Margaret C. Felts

Serves as the lead technical consultant to law firms, regulatory agencies and private entities on environmental, energy and corporate fraud cases, concentrating her practice on behind-the-scene discovery, research and strategy development. She also serves as Expert Witness.

Positions external to consulting include serving as Deputy Director of the California Department of Toxic Substances Control (DTSC), where she managed the State's Superfund program, including the base closure program for the oversight of toxic cleanup of military bases closed by the federal government. Prior to working for the state, Felts served as Division Chief of Environmental Engineering at for the Department of Defense at McClellan AFB. In this position she was responsible for developing a program to bring the base into compliance with Federal, State and local environmental regulations. Felts came to California from Texas when she was recruited by the California Energy Commission to fill a lead technical position in the Fuels Office. In that position, she participated in the development of the Petroleum Industry Information Reporting Act (PIIRA) database and performed detailed analyses of industry data submitted per PIIRA.

### SPECIALTIES

Discovery and technical strategies for complex cases  
Involving:

- Gas and Electric Utilities regulatory cases
  - Records Management Assessment
  - Fraud
  - Incident Assessment
  - Tree and Pole Program Assessment
  - Pipeline Integrity Assessment
