- **7011 Blowdown Emissions Reduction Plan –**
 - Date of First Issuance – 2/27/2020

7011

Metadata	Publishing History	Referenced Documents		
Revision Date	Submission Details	Author's Brief	Publish Memo	Justification
08/09/2023	Document Revised	Fully reviewed. Revised Form Instruction to reflect that Form 7011 is now generated, filled out, and submitted via PowerApps. Updated several of the data entry instructions to reflect the new version of the form. Included screen shots of the new form and a hyperlink on where to access it.	Migration	SB1371 process changes. Form 7011 is now generated on PowerApps instead of Excel.
05/01/2023	Legacy Pre-Modernization	Fully reviewed. Revised Form Instruction to reflect that Form 7011 is now generated, filled out, and submitted via PowerApps. Updated several of the data entry instructions to reflect the new version of the form. Included screen shots of the new form and a hyperlink on where to access it.		SB1371 process changes. Form 7011 is now generated on PowerApps instead of Excel.
11/02/2020	Legacy Pre-Modernization	New document, no changes because the document is new. Replaces Info Bulletin INFO-1960. The document covers the use of the Blowdown Emissions Reduction Plan Form, the use of which is covered in GS 223.0155. The Form Instruction advises on the routing of the form, how to fill out the form, and the criteria for when the form is to be filled out.		Adding form to MR binder.
11/01/2020	Legacy Pre-Modernization	New document, no changes because the document is new. Replaces Info Bulletin INFO-1960. The document covers the use of the Blowdown Emissions Reduction Plan Form, the use of which is covered in GS 223.0155. The Form Instruction advises on the routing of the form, how to fill out the form, and the criteria for when the form is to be filled out.		SB1371 process changes. Retirement of INFO-1960
11/01/2020	Legacy Pre-Modernization	Brand new document, no changes because the document is new. Replaces Info Bulletin INFO-1960. The document covers the use of the Blowdown Emissions Reduction Plan Form, in support of SB1371 methane emissions reduction efforts, the use of which is covered in GS 223.0155. The Form Instruction advises on the routing of the form, how to fill out the form, and the criteria for when the form is to be filled out.	Replaces INFO-1960 which should be deactivated when this is published.	SB1371 process changes. Retirement of INFO-1960
03/03/2020	Legacy Pre-Modernization	Corrected title of document.		I inadvertently titled the document incorrectly. It should be "Blowdown" Emissions Reduction Plan.
02/27/2020	Legacy Pre-Modernization	ADVISORY STATEMENT ADDED Information Bulletin INFO-1960 entitled Blowdown Emissions Reduction Plan and Reporting of Gas Blown to Atmosphere New Requirements, provides revised content which supersedes and/or provides additional subject matter requirements for this document.		An information bulletin INFO-1960 was published that refers to Form 7011. Employees are searching for Form 7011 on the Doc Library and are not finding a reference to INFO-1960.
